Cam Construction Company is the Construction Manager for the referenced project and we invite you to submit a Proposal for the work. The plans are attached for your use and the original building construction drawings are also available on our website for your use [www.cambuilds.com/](http://www.cambuilds.com/)

The scope of work for this phase of the project includes the replacement of the lower level storefront system with new storefront system in the two-story courtyard, and replacement of the lower level storefront system in the four areaways with cmu/drywall infill and punch windows as identified on Gaudreau's Drawings A-101 and A-102 dated 3-1-18.

Proposals are to be submitted by e-mail to [everett@cambuilds.com](mailto:everett@cambuilds.com) or fax (410-560-1572) by 3 p.m. Wednesday, May 9, 2018. A site visit can be arranged and is highly recommended.

All questions shall be submitted in writing to [everett@cambuilds.com](mailto:everett@cambuilds.com). Answers to all questions will be issued in addendum form.

This is a Tax Exempt Project.
